“Art and the Automobile”

For those wishing to visit a lovely place, Quebec, in a wonderful time of year, October, here's a neat event: Art and the Automobile/L'art et L'Automobile, October 2-5. It's a combination car rally, photo op, car show, art show and general good-time gathering of kindred spirits.

In fact, two of these kindred spirits, famed auto photographer Jesse Alexander and supercar builder Reeves Callaway, are R&T pals of long-standing. others include artist Alain Levesque, whose neatly evocative Art Deco style I much admire, Stephen Brathwaite, Louise Abbott and Niels Jensen. Special Honoree is Paul Deutschman, a native Quebecer, renowned for his styling of the Callaway C-16 Coupe and Speedster.

The venue is the Davis-Kell Farm in Ogden, Quebec, Canada (just over the border from Newport, in northern Vermont). To learn more, log on to www.artandtheautomobile.com. For those wishing more direct contact, give organizer Terry Kell a call at 613.301.1000 or email him at info@artandtheautomobile.com
